# Auditor's Report

1970

---

To the Board of Selectmen of the Town of Moultonboro,  
New Hampshire:

In accordance with your request, we have performed an examination and audit of the financial affairs of the Town of Moultonboro (exclusive of the Moultonboro School District) for the calendar year 1970. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such audit procedures as we considered necessary under the circumstances. Circumstances did not permit us to perform an examination of the records of the Town Library at this time.

In our opinion the statement of current working assets and liabilities as reflected in the annual report of the Town of Moultonboro, as at December 31, 1970 (exclusive of the Moultonboro School District and the Town Library) and the Statement of receipts and disbursements of the Town of Moultonboro, (exclusive of the Moultonboro School District and the Town Library), and the results of budget operations for the year 1970, present fairly the financial position as at December 31, 1970, and the results of budgetary operations for the year then ended in conformity with generally accepted accounting principals, applicable to governmental operations in New Hampshire, applied on a basis consistent with that of the prior year.

Respectfully submitted,

DANA S. BEANE, JR.

## Librarian's Report

---

It has been a most rewarding year for the Moultonboro Public Library with the new addition and the remodeled facilities being in use and available for the first full year. Library users have appreciated and been pleased with the new arrangements (it being hard to remember when they were otherwise.)

The School Library branch is in its 12th year with Marguerite Gruner, Paula Smart, Isabelle Behr and Betty Rathman giving out 8,018 books in 1970.

The memorial list of books is added to from time to time and gifts are gratefully accepted at any time for this purpose. Books were given in memory of Hazel Dale by Shirley Dale Jatko, Pythian Sisters, Martha Oliver, Isabelle Behr and Evelyn Brown; Virginia Sturtevant by the Historical Society; Ruby Covert by Evelyn Brown, Doris Battis, and the W.S.C.S.; Lee Porter by John Oliver; Muriel Clark by the W.S.C.S.; Nina Moulton by Moultonboro Woman's Club, Historical Society and Mr. and Mrs. Richard Vappi.

This past year Mrs. Nina Moulton who had been a library trustee for many years passed away and a substantial sum of money was given to the library, and books have been purchased and appropriately marked in her memory. Interest from the Steven W. Martin fund has been spent for several fine books in his memory.

The Moultonboro Library is fortunate in having friends who donate books to it. Several young people have given their books to the library and they have been appreciated by other youngsters who have made good use of them. Mrs. Harold Munroe each year has given many fine books which otherwise we would have been unable to own, and her gifts, as well as all others are accepted with gratefulness.

This year three trustees were elected, Jo E. Hayden and David Walter and Patricia Solomon for the unexpired term of Hazel Dale.

The library owns nearly 300 fine recordings which may be borrowed for home use. These records were nearly all donated by two of the large record companies, The CBS and RCA.

It has been gratifying to work in the library with space available for all books. The increased circulation has been astounding as the statistics show. Summer residents are welcome and do use the library during their stay and those who do not are urged to discover the excellent building and the contents which the town of Moultonboro provides.

The Moultonboro Library is a member of the Statewide Library Development program for which it has received \$100.00 for reference books. It honors the Statewide Library borrowers card.

The library statistics are:

Circulation	1970	1969
Fiction	5,995	4,034
Non-fiction	4,119	2,385
Juvenile	3,679	2,261
Magazines	397	351
Recordings	630	243
Total	14,820	9,274
School	8,018	7,161
Total	22,838	16,435

The number of books purchased was 755 and 260 were donated, making a total of 1,015. Discards numbered 96.

Library hours are:

July & August - Mon., Wed., Sat.  
2 P.M. - 4:30 P.M. & 7 P.M. - 8 P.M.

## Planning Board Report for 1970

---

Most of the 1970 meetings were devoted to drawing up a proposed zoning ordinance, which we felt would protect the town until the land use maps were available and a more thorough study could be made of the capabilities of the soil in Moultonboro. It is said— 'There is no such thing as a perfect law'; knowing this the board worked on a zoning ordinance which they felt would benefit the town and at the same time hurt the least number of our townsmen. Unknowingly we apparently tried to restrict the wrong things as the ordinance was defeated with a 353 to 200 vote and left the town with no defense against unscrupulous developers. The board was disappointed in the outcome of this vote, but, with the help of interested residents, are planning to come in with a revised ordinance sometime in early or mid summer.

The land use maps, which are due from the Dept. of Agriculture this spring, will enable the Planning Board to know the types of soil throughout the town and what they are capable of handling. This is most important, especially in determining minimum lot sizes and the safe handling of septic tank sewage as well as drainage in general.

Should any resident of Moultonboro have some constructive ideas in regard to planning, zoning or subdivision regulations the board would appreciate it if they would attend one of their meetings and express their views. The board is always ready and willing to discuss these topics in the hopes that somehow we can produce an ordinance acceptable to a majority of our people.

# Forest Fire Warden's Report

---

During this past year, the public has shown a great deal of cooperation in the prevention of fires. We wish to express our thanks for a job well done.

Your forest fire warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires, a synopsis of these laws follows.

## Fire Permits

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning (SUCH BURNING IS RESTRICTED BY REGULATION TO BE PRIOR TO 9:00 A. M. and AFTER 5:00 P. M.)

An Air Pollution regulation forbids the burning of household waste in towns where such rubbish is collected by the town.

## Exemptions

Commercial or industrial burning is allowed under normal conditions with permission of the District Fire Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

**Remember! Only You and I Can Prevent Forest Fires.
